The Village Collection

The Next Generation of
Composite Doors 2019

nxt-gen door colours

All doors available in the following colours as standard. (Please note: Colour of door is on the exterior side only. Interior side is white)

Bespoke door colours

Make an impact with our specialist range of door colours. Whether you choose a traditional or contemporary door style these colours are certain to complement the most traditional of homes right through to modern property developments. The world of insulated composite doors has just become a lot more interesting. Bespoke door colours are not pre-pigmented. Please contact us for a swatch.

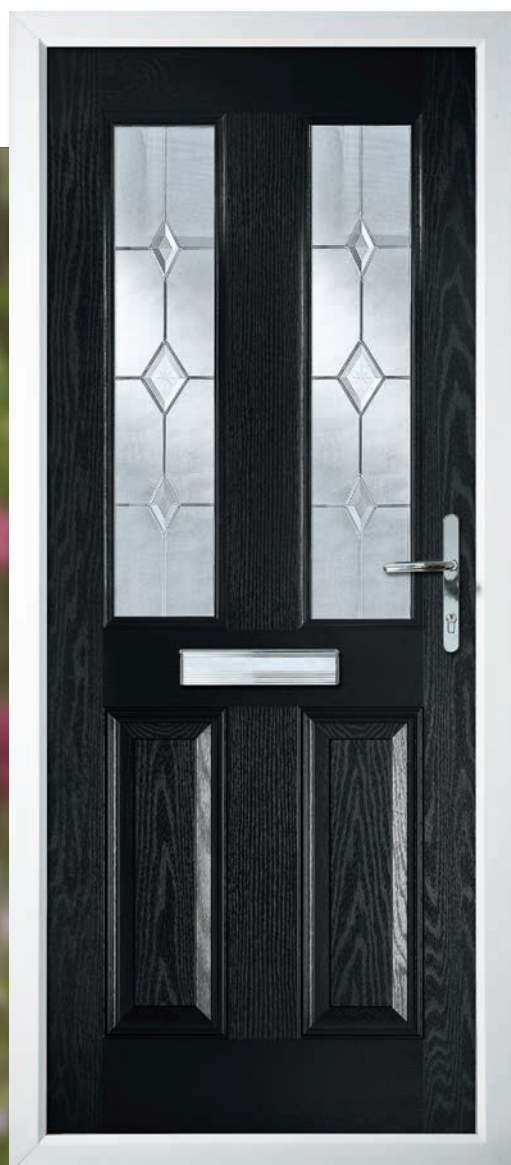

What makes a Panels Direct composite door so special?
